

GARDEN DESIGN FIRENZE

GARDEN DESIGN COURSE IN VILLA GAMBERAIA

9 - 10 JUNE 2022

18 hours lesson and design workshop, studying the garden of Villa Gamberaia, to learn how to: designing small gardens, representing the garden project, using the suitable plants, obtain the chosen result

Day one (in VILLA GAMBERAIA)

9.00am - 1.00pm

Maria Chiara Pozzana

- Visit of Villa Gamberaia garden
- In the first lesson examples of garden projects of the most important garden designers of our time.
- Starting from the analysis of these works we will continue the theme of how to design a garden for the workshop using the sense of proportion, dimensional relationships and light

2.00pm - 7.00pm

Workshop: Maria Chiara Pozzana - Tommaso Tarassi

- Learn how to make a survey of a small garden and to do a drawing (the drawing will be done by hand (pencils and colored supplied by us).
- Drawing of the survey and start of the project

Day Two (in OUR OFFICE)

9.00am - 1.00pm

Maria Chiara Pozzana

- Learn about herbaceous plants, shrubs and small trees. Basic information on the use of herbaceous and shrubby plants in small gardens in Italy, with particular regard to central Italy
- Hard landscaping, materials, paving, borders

2.00pm - 7.00pm

Workshop: Maria Chiara Pozzana - Tommaso Tarassi

- The garden we want: idea of our garden, project, representation, learn to draw spaces, paths, choice of plants
- End of the project and presentation/discussion
